Tru-Advantages

■ Market-driven, consumer-tested design.

- Most preferred Craftsman-style glass design concept among homeowners in a nationwide study.
- Variety of glass sizes – from Craftsman-sized to full-lite – capitalizes on the popularity of Craftsman-style homes and new construction homes with traditional Arts and Crafts-inspired design elements.

■ Aimed at creating sales opportunities.

- Wide range of glass sizes fit all five Classic-Craft® door collections, offering more flexibility to expand Craftsman-style glass designs across a broader range of products.
- Complements both wood-grained, stainable and smooth, paintable doors for broad appeal.
- Intricate, handcrafted design adds charm and warmth to the entry. Modified chevron motif features a new field glass – M seedy – that adds contrast and texture to the overall design.

■ True Classic-Craft – extraordinary in every way.

- More than 10% wider glass* for a distinctive entryway with more light entering the home.
- Fiberglass lite frames seamlessly blend with the entryway.

■ Therma-Tru® glass quality you can trust.

- The Therma-Tru full-system offering delivers on decades of experience and know-how in door systems and glass.
- Included in our full-system lifetime limited warranty for peace of mind during and after installation.
- Triple-pane glass construction helps reduce outside noise, increase energy efficiency and provides a smooth surface that is easy to clean.
