Tru-Advantages

■ Market-driven design to win more business.

- Capitalizes on market demand for a simple, modern decorative glass design.
- Brings new energy to the Pulse® product line by accentuating the sleek and modern designs of Ari, Línea, Echo and Solei.

■ Aimed at creating sales opportunities.

- Entry price point to decorative glass creates opportunity to upsell from privacy glass to produce higher margins.
- Select a smaller glass size to maintain the sense of privacy or a larger glass size to welcome more natural light into the home.
- Versatile glass size options allow for multiple applications to create a cohesive exterior appearance.

■ Therma-Tru® glass quality you can trust.

- The Therma-Tru full-system offering delivers on decades of experience and know-how in door systems and glass.
- Included in our full-system limited warranties for peace of mind during and after installation.
- Triple-pane glass construction helps reduce outside noise and increase energy efficiency.
